

GLAMIS CASTLE EVENT WINS AWARD

FOR IMMEDIATE RELEASE 11 NOVEMBER 2019

- Brand new event for 2019 wins coveted BE Trophy

Glamis Castle Country Fair and Horse Trials was a new addition to the BE calendar for 2019, yet has managed to beat off still competition from well-established events, such as Floors Castle and Blair Castle, to win the coveted *Scottish Event of the Year* title at the BE Scotland Ball on Saturday.

Assistant Organiser, Thomas Helyer, was at the awards dinner at Airth Castle to collect the trophy. Tom said "I am absolutely stunned to be collecting this award in our first year – there's now a lot to live up to in 2020! We have a great team and it is testament to their hard work that we have won this – and with more than half of the total votes – I am absolutely delighted – and a huge thank you to everyone who voted for us."

The event itself had some great feedback from competitors for its grand stage feel – giving grass roots riders the chance to compete in such a beautiful setting. Competitor-friendly touches, such as free stabling, all helped to make the event really special and the team are already hard at work on making the 2020 event even bigger and better.
